

City of Ballarat Hackathon Challenge

Prize: \$500 (possible distribution between teams)

This is an open challenge to a degree – create what you wish utilising our datasets on data.gov.au/organization/city-of-ballarat

BUT

Preference will be given to any submission that has a link to the first ever AFL match in Ballarat on August 19th.

Sites to find data could include (but not limited to):

- Public Transport Victoria
- Bureau of Meteorology
- [Data.vic.gov.au](https://data.vic.gov.au)
- [Data.gov.au](https://data.gov.au)
- [Data.melbourne.vic.gov.au](https://data.melbourne.vic.gov.au)

Judging Criteria

1. Creativity & originality
2. Civic Value
3. Skills demonstrated
